

# MR-J3 SERVO AMPLIFIER REPAIR PROGRAM SERVICE

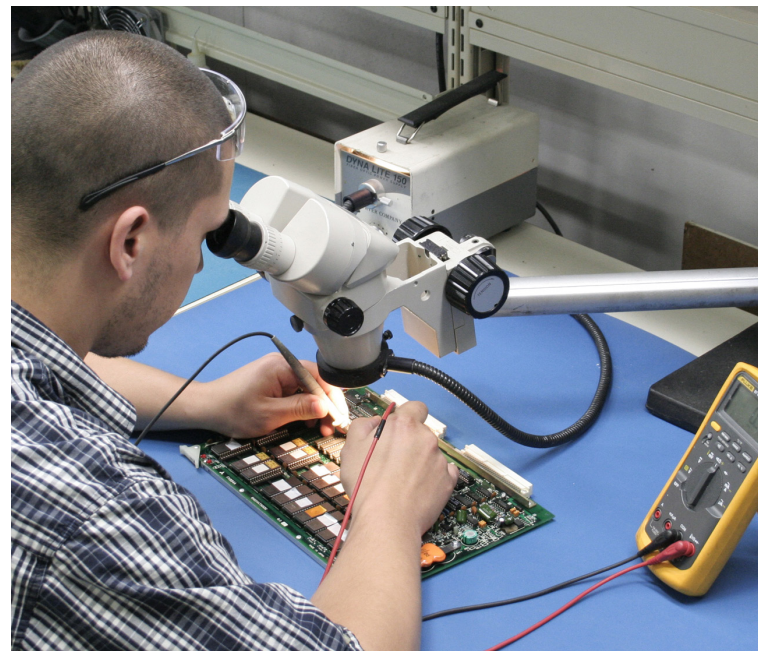

- Low-cost evaluation, repair, and testing using factory trained technicians
- Fast turnaround times
- Reliable performance
- 1-year factory warranty

MR-J3 Servo Amplifier repair services performed by Mitsubishi Electric Automation create value and peace of mind by offering OEMs and end-users a factory repaired product with fast turnaround time at a cost-effective price. We use factory trained technicians, Mitsubishi Electric sourced repair components, and proprietary firmware to assure the amplifier performs as new. In addition, we back all of our repairs with a 1-year extended warranty.

## **Ideal Industries**

MR-J3 Servo Amplifiers are commonly used by OEMs that supply machinery to the following industries:

- Packaging
- Material Handling
- Printing
- CNC
