DMG MORI M800UM Maintenance Training

Service and Maintenance

Course Description

DMG MORI M800UM Maintenance Training	
Course Code	MEMTBMO-8102
Course Credits	3.0 credits
Length	3 Days
Price	\$2,000
Prerequisite	None

INTRODUCTION

This course has been designed and tailored to fit the uniqueness of DMG MORI machines using the Mitsubishi Electric M800UM control. Upon completion of this course, maintenance employees will have a fundamental understanding of the M800UM control and should be able to troubleshoot and maintain a complete control system on any DMG MORI machine.

WHO SHOULD ATTEND?

This class is intended only for students who are interested in learning the Mitsubishi Electric M800UM control on DMG MORI machines.

COURSE HARDWARE

FCU8-MA044-M, FCU8-MU044-M, FCU8-DX877, DX220, DX230, DX231, DX213, DX651, DX654, MDS-E-V1/V2-xx, MDS-E-SP-xx

PREREQUISITES EXPLAINED

No prerequisites. This class is recommended for beginners with little or no experience with Mitsubishi Electric controls.
