About Us

Founded in 1955, Harmonic Drive, LLC engineers and manufactures precision servo actuators, gearheads and gear component sets. We work closely with both Fortune 500 and companies of all sizes to understand their application requirements and provide a standard or, in most cases, a custom-engineered solution to enable the success of their design project.

e-F@ctory Solutions Provided

Harmonic Drive and Mitsubishi Electric have partnered together to provide solid and hollow shaft servo actuators for standard and IP65 environmental ratings for both standard and direct drive motor series.

Complementary Products

Servo/Motion Control

Core Technology

Linear Motion

Industries Served

Aerospace	Oil & Gas
Aggregates	Packaging
Automotive	Printing
Forestry & Mining	Process
Marine	Pulp and Paper
Material Handling	Tire
Machine Tool	Utilities
Medical & Life Sciences
