

Extended Warranty

Extend your peace of mind with an extended warranty for your product purchases. These additional years of coverage will ensure that you are covered if you encounter an issue with your Mitsubishi Electric Factory Automation products. A replacement product will be sent to you through our warranty exchange program.

- **Peace of mind** knowing your manufacturing lines are covered for a longer period of time.
- **Available for a 1 or 2-year extension** of the factory warranty (please inquire if you require a longer length of time).
- **No need to wait for warranty approval** to get a replacement product through our warranty exchange program.
- **Lowers the total cost of ownership**
