

MT Works2

Motion Programming Software

MT Works2 (MT Developer2)

MT Works2 is the next generation programming, configuration and maintenance software for Q Series Motion Controllers including the iQ Platform and Q170MCPUCPU Stand Alone motion controllers. MT Works2 offers a new and intuitive programming, design, and maintenance environment which can be used across many industries and applications in all the phases of a Motion Controller configuration; system design, program development, debugging, startup, operation, and maintenance.

Type	Model Number	Description	Stock Status	Notes
Software	MT-WORKS2-C1	Single User License of MT Works2	S	These are the model numbers to use if a customer wants to purchase the MT Works2 (MT Developer2) programming software only, without the full iQ Works suite.
	MT-WORKS2-C5	5 User License of MT Works2	S	
	MT-WORKS2-C10	10 User License of MT Works2	-	
	MT-WORKS2-C25	25 User License of MT Works2	-	
	MT-WORKS2-C50	50 User License of MT Works2	-	
	MT-WORKS2-C100	100 User License of MT Works2	-	
SMA	MT-WORKS2-C1-SMA	SMA for MT-Works2-C1	-	These are the model numbers to order an SMA for the MT Works2 model numbers. Updates will be provided electronically.
	MT-WORKS2-C5-SMA	SMA for MT-Works2-C5	-	
	MT-WORKS2-C10-SMA	SMA for MT-Works2-C10	-	
	MT-WORKS2-C25-SMA	SMA for MT-Works2-C25	-	
	MT-WORKS2-C50-SMA	SMA for MT-Works2-C50	-	
	MT-WORKS2-C100-SMA	SMA for MT-Works2-C100	-	

MT Developer2 For MR-MQ100

Type	Model Number	Description	Stock Status	Notes
Software	MT-DEV2-MQ-C1	Single User License of MT Works2	S	These are the model numbers to use if a customer wants to purchase the MT Works2 (MT Developer2) programming software for MR-MQ100 only, without the full iQ Works suite.
